WORK AND VOLUNTEER EXPERIENCE

National STEM Honor Society

Jun. 2023 – Oct. 2023

Website Development Intern

Remote

- As an intern, I worked with industry professionals to design and implement code using HTML, CSS, JavaScript, Git and WordPress for a live nonprofit website.
- I led a team of three interns through designing and coding ten separate pages for the Student Dashboard portion of the website.
- Worked 15 hours per week for 16 weeks over the summer for a total of 240 volunteer service hours earned.

Coding With Kids

Oct. 2022 – Present

Instructor

Redmond, WA

- As a volunteer instructor, I am assigned to a class where it is up to me to create lessons designed to engage students whilst also delivering essential coding knowledge that will prepare them for future endeavors.
- While teaching students, I have to balance classroom management and instruction, all whilst ensuring that everyone is having a good time.
- I teach a variety of coding courses ranging from just a basic introduction geared towards younger kids, to full on game creation that even adults could enjoy.

Pizza Bank Restaurant

Jul. 2021 – Present

Lead Bagger & Lead Host

Kirkland, WA

- As Lead Bagger and Lead Host, I welcome customers into the restaurant, direct them to their table and bag the food for to go orders.
- I am also responsible for training new employees as well as assisting coworkers whenever they run into problems or have questions.
- While Lead Bagger and Lead Host are my main positions, I also sometimes work as Lead Busser, Kitchen Help, and Dishwasher.
